Characteristics and Outcomes of On-Location Digital Platform Work: Implications for Worker Health

26 October 2026 | 10:00 – 11:00 WET (UTC+0)

On-location digital platform work is rapidly expanding, yet its features and impacts on workers are often insufficiently understood.

- ✓ What are the main organisational features and working conditions of on-location digital platform work?
- ✓ How do they relate to workers' health and well-being?
